THE SHIRLEY

WHAT HAVE WE BEEN UP TO THIS MONTH @THE SHIRLEY?

We have been extra busy @the-shirley.co.uk fitting our new wood burning stove ready for our winter guests. We have opted for the Chesneys Salisbury Double sided 8WS Ecodesign Wood Burning Stove which will give out enough heat to make our lounge extra cosy on those cold winter nights.

Sophie has created a guest information book for each of the rooms containing our recommendations for local places to eat, visit and walk. So many cool things to do in this neck of the woods, you have so much to choose from!

We are located 10 minutes from numerous different, stunning walks around The Shirley. Our pooches are literally spoilt for choice. We have beaches, we have woodland walks and we have the amazing marina too.

Mark has been busy decorating the Breakfast Room bay window and restoring various sash windows and woodwork around The Shirley to refresh the aesthetics of our beautiful building as we bring it back to life.
