THE SHIRLEY

WHAT HAVE WE BEEN UP TO THIS MONTH @THE SHIRLEY?

We have been extra busy @the-shirley.co.uk decorating the entrance, foyer and up to the first floor getting rid of the previous blue colour and tired wall paper. We have covered all surfaces with 2000 grade lining paper and used 'Heritage' paint that takes you right back to the day she was built.

The west wall has now been painted with the windows restored to their original condition, again removing the baby blue previous colour that simply did not match this beautiful buildings elegance.

We have restored the original old Servants' Bell Indicator that was covered in paint and hidden in the back of the building and given it pride of place next to reception for everyone to see and enjoy.

We have also decorated the Breakfast Room, removing many of the paintings, obsolete speakers and downlighters to create a much more uncluttered room, finished again in a 'Heritage' colour.
